Highest ever quarterly revenues for SAMIL, revenue growth of 2.5% in spite of lower production volumes in Q1; PAT grew by 16% despite inflationary pressures; the company sets Carbon Net Zero ambition for its current global operations by 2040

Noida, Uttar Pradesh – 08th Aug 2022 – Samvardhana Motherson International Limited (SAMIL) [formerly Motherson Sumi Systems Ltd.] today announced its financial results for the fiscal 2022-23 first quarter, which ended on 30th June 2022.

Commenting on the results, Mr. Vivek Chaand Sehgal, Chairman, Motherson said,

“The market demand remains strong, however, due to various supply chain constraints including chip shortages, production volumes of OEMs continued to fluctuate. The passenger car sales have shown improving trend from April to June. This quarter’s results are to be seen in the backdrop of continued high inflation, elevated freight, energy costs etc. Our teams are engaged with customers to align with them on the unusual inflationary pressures faced by the industry and the new macro environment, it’s work in progress.

In order to create a better world for future generations and in line with our customers’ expectations, we are setting the ambitious goal of becoming Carbon Net Zero across our current global operations by 2040.”
